

Typing Away Again Near Dear Ol' Naperville

A NaNoWriMo parody of Margaritaville by Jimmy Buffett

Intro:

D
Typin' is great fun, Writin' the big one
Dreamin' of my book in so many stores
The laundry is piling, My children aren't smiling
When it's all over I'll catch up my chores
Typing away again near dear old Naperville
Searching for my lost chapter of plot
Some people claim that there's a wordcount to blame
But I know it's Chris Baty's fault

D
I don't know the reason, I typed here last season
NaNoWriMo Stickers were just on my mind
I'm losing my word war, I don't know what it's for
But our MLs have been much more than kind
Typing away again near dear old Naperville
Searching for my lost chapter of plot
Some people claim that there's a wordcount to blame
Now I know.. Well, it could be my fault

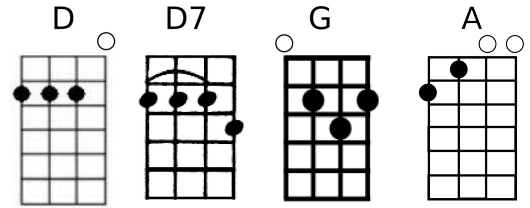

D
More problems with my plot. Now, who can I have shot?
My word count is down and so's my morale
My pencil I'm chew-in', But there's coffee a brew-in'
With another mug I know I'll hang on
Typing away again near dear old Naperville
Searching for my lost chapter of plot
Some people claim that there's a wordcount to blame
But I know it's my own darned fault

Yes and..
some people claim that there's a wordcount to blame
And I know it's my own darned fault
